A MANDARIN FRENCH KISS IN THE HEART OF BEVERLY HILLS

For the modern traveler seeking intimate accommodations in a sophisticated setting, Maison 140 reinterprets the classic European bed and breakfast hotel in a haute Oriental mode. Just a short stroll to Beverly Hills' best landmarks (including Saks Fifth Avenue, Neiman Marcus, Barneys New York and Rodeo Drive), this chic townhouse is an ideal address to call home during leisure jaunts or business trips.

INDIVIDUALLY DESIGNED GUESTROOMS, PERSONALLY DEVOTED SERVICE

Wrapped in lush patterns and palettes, Maison 140's custom designed accommodations smartly blend up-to-the-moment technology and classic comforts in one-of-a-kind fashion. The hotel's acclaimed Bar Noir is the setting for a European breakfast; at nightfall, the dramatic lounge offers a wine reception and evening cocktails. In addition to concierge services, in-room dining, and an on-site fitness studio, guests enjoy swimming privileges at Avalon Hotel, just minutes away.
